Third Set of Fruit and Vegetable Surveys Closing Soon

As reminder for most of you, we released the third set of fruit and vegetable commodity surveys on 28 May with a closing date of 2 July. Those items were Almonds (A263 and A264), Apples Fresh (A343), Apples canned (A345, A350), and fresh potatoes (A214, A215). Please contact us if you have any problems in getting those orders in to us before they close. "

If you need further information, please feel free to contact any of our program specialists for assistance.
