# Healthy Snacks Give Kids **Extra Energy** To Play and Grow

Snacks are a normal part of a healthy diet for growing kids. Fruits, vegetables, and whole-grain foods make good snacks.

All foods can fit into a healthy diet. Choose low-fat, reduced sugar, and reduced salt snacks.

## Snacks Can Be Fun, Tasty, and Healthy Too!

**Set a good example**—Kids often want the same snacks you eat. Choose snacks that are good for your health. Try low-fat milk, cheeses, and yogurt.

**Plan ahead**—Make snacks from the various parts of the food guide pyramid. Healthy snacks should be a part of your grocery list.

**Be ready**—Keep fruit, 100% juice, crunchy veggies such as carrots or celery, yogurt, bagels, pretzels, and whole-wheat crackers on hand.

**Start a new trend**—Include fruits and vegetables for school parties and special events.

**Make healthy snacking easy**—Put snack foods like pretzels, crackers, peanut butter, cheese, and yogurt on lower shelves so kids can get to them.

**Make Snacks Healthy!**
