

IF YOU WANNA BE LIKE THE POWER PANTHER

See if you wanna be like Power, Panther
Eat Smart, Play Hard, all day, everyday
See if you wanna be like Power, Panther
Eat Smart, Play Hard, all day, everyday
Eat your breakfast in the morning, start the day right
Keeps you going strong through the day and night
A healthy snack will help you,
Help you feel much better
Keeps your body and mind, help yourself grow
Keeps you growing strong, keeps you where you wanna go
Keep your body right, you gotta keep your body right

See if you wanna be like the Power, Panther
Eat Smart, Play Hard, all day, everyday
See if you wanna be like the Power, Panther
Eat Smart, Play Hard, all day, everyday
When your body starts to fade in the middle of the day,
Put the junk away, there's a better way
A healthy snack will help you
Help you feel much better
You gotta eat smart if you want to play hard
To keep your body right, you got to take charge
Keep your body right, you gotta keep your body right

See if you wanna be like the Power, Panther
Eat Smart, Play Hard, all day, everyday
See if you wanna be like the Power, Panther
Eat Smart, Play Hard, all day, everyday
See if you wanna be like the Power, Panther
Eat Smart, Play Hard, all day, everyday
