## **Meat and Poultry Round Surveys: Orders for September Delivery Due Into System By July 14, 2003**

Effective 2 July, the commodity surveys below will be available for ordering. They will be open until 1 December 03. Please note the earliest delivery periods currently available. For those chicken capped items, we will send something out by next week for those interested in additional orders (suspense is 3 July).

Additionally, those of you that do not plan to use all chicken capped dollars please notify by 3 July 03 so that the caps can be re-allocated. Keep in mind that you can spend your dollars on other chicken products. Chix Breaded and Chix Fajita orders should not be entered unless you have been reallocated additional trucks or you have not ordered your entire capped amount. September orders for 9/15/03 delivery are due into the system no later than 14 July.

*Also, please note that entitlement dollars with the new commodity assistance rate will be coming out soon.*
