FNS NATIONAL NUTRITION EDUCATION CONFERENCE 2

U.S. DEPARTMENT OF AGRICULTURE (USDA)

September 12-14, 2005

HYATT REGENCY CRYSTAL CITY • ARLINGTON, VA

Who Should Attend?

- State and local agency nutrition and other staff working in or with USDA's nutrition assistance programs,
- Federal nutrition and other staff working in or with USDA's nutrition assistance programs, and
- Collaborators, partners, and stakeholders.

CONFERENCE OBJECTIVES:

This Conference will help you:

- Understand FNS nutrition priorities, current and emerging initiatives, and the resources and tools available to help you implement nutrition education programs that work.
- Apply networking and partnership skills to promote nutrition education across FNS nutrition assistance programs and improve collaboration among State and community partners.
- Enhance skills in planning, implementing, and evaluating nutrition education.
- Share strategies for advancing your State Nutrition Action Plan (SNAP).
- Implement successful nutrition education strategies and interventions in your community.
