

FNS Responses to 2011 Hurricanes

As of January 18, 2012, FNS provided over \$119 million in Disaster Supplemental Nutrition Assistance Program (D-SNAP) benefits (\$79.8 million to new D-SNAP recipients and \$39.9 million to ongoing SNAP recipients¹) to help disaster survivors in 5 States in response to the extended power outages and flooding caused by Hurricane Irene and Tropical Storm Lee. Approximately 875,451 individuals (467,444 new D-SNAP recipients and 408,007 ongoing SNAP recipients) in 410,428 households (177,364 new D-SNAP households and 233,064 ongoing SNAP households) received these benefits.

In total, FNS provided some type of disaster food assistance, including SNAP replacement benefits and USDA Foods for congregate and household feeding, to disaster survivors in 108 counties, 11 States and the Territory of Puerto Rico in response to Hurricane Irene and Tropical Storm Lee.

Specific FNS disaster food assistance responses by State/Territory so far include:

Connecticut

As of January 18, 2012, FNS has provided over \$28.3 million in D-SNAP benefits to 126,727 households and 306,327 people in 8 Connecticut counties affected by Tropical Storm Irene.

The State received FNS approval:

- On September 16, 2011, to operate a D-SNAP in all (8) Connecticut counties, including Litchfield, Fairfield, Hartford, New Haven, Middlesex, Tolland, Windham, and New London due to Tropical Storm Irene that first struck the State on August 27, 2011, for 5 business days from September 21-27, 2011. Only households who resided in Connecticut at the time of the disaster will be eligible for the D-SNAP. For applications submitted by clients who were in line at the application site by September 27, 2011, benefits will be made available to eligible households within 3 days.
- On September 16, 2011, to issue supplemental benefits to all ongoing SNAP households in Connecticut.
- On September 2, 2011, to issue mass SNAP replacement benefits equal to 25% of the August 2011 allotment to all SNAP households in the State who began to experience power outages and flooding caused by Hurricane Irene on August 28, 2011. Households that already received replacements based on a signed affidavit of loss are excluded from the mass replacement process. If a household submits an affidavit after receiving the 25% mass replacement and requests an amount greater than the replacement benefit amount received, the household is only entitled to receive the difference between the requested amount and the amount previously replaced. Replacement benefits will automatically be issued to SNAP households by means of an automated credit to their Electronic Benefits Transfer card.

¹ D-SNAP supplemental benefits are provided to eligible, ongoing SNAP recipients to bring their benefits up to the maximum allotment for their household size to provide equity in benefits with new D-SNAP SNAP households.

- On September 2, 2011, to extend the time for reporting loss of food purchased with August 2011 SNAP benefits and to request replacement benefits through September 19, 2011, if actual losses exceeded the 25% mass replacement amount and the household submits a signed affidavit.

New Jersey

As of January 18, 2012, FNS has provided over \$38 million in D-SNAP benefits to 172,204 people in 117,525 households in 21 New Jersey counties affected by Hurricane Irene.

The State received FNS approval:

- On September 22, 2011, to extend certification periods and postpone periodic reports for one month for any simplified case (households certified for 12 or 24 months and who report at 6 or 12 months) that is scheduled for a recertification or periodic report by October 1, 2011. These cases will be extended for an additional month without the need to recertify or file a periodic report. Any case which is scheduled for recertification by October 1, 2011, must be recertified by November 1, 2011. Periodic reports which are scheduled to be processed by October 1, 2011, must be processed by November 1, 2011.
- On September 4, 2011, to operate D-SNAP in (5) counties, including Bergen, Essex, Morris, Passaic and Somerset due to Hurricane Irene that first struck the State on August 27, 2011. Bergen and Essex Counties accepted applications from September 8-16, 2011. Passaic County will accept applications from September 7-22, 2011; Morris County will accept applications until September 20, 2011; and Somerset County will accept applications until September 22, 2011 (4-day extension approved on September 16, 2011.) Applications will not be accepted on Saturday or Sunday.
- On September 9, 2011, to operate a D-SNAP in (16) counties, including Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Hudson, Hunterdon, Middlesex, Monmouth, Ocean, Salem, Union, and Warren from September 12-20, 2011. Mercer and Sussex Counties will accept applications from September 21-26, 2011 (4-day extension approved on September 16, 2011.)
- On September 15, 2011, to issue automatic, mass supplements to ongoing SNAP households in Atlantic, Monmouth, Passaic, Somerset, Sussex, and Cape May (approved September 16, 2011) counties. For households in the (15) other counties with declared disasters, D-SNAP supplements may be provided to ongoing households via affidavit (approved September 9, 2011), except households who filed an affidavit for replacement SNAP benefits and households who did not request replacement SNAP benefits but who file an affidavit attesting to their disaster-related expenses. These households will receive automatic supplemental benefits.
- On September 16, 2011, to issue mass SNAP replacement benefits equal to 15% of the August 2011 allotments to households who resided in the counties of Atlantic, Cape May, Monmouth, Passaic, Somerset, and Sussex at the time of the disaster. Households that already received replacements based on a signed affidavit of loss are excluded from the mass replacement process. If a household submits an affidavit after receiving the 15% mass replacement and requests an amount greater than the replacement benefit amount received, the household is only entitled to receive the difference between the requested amount and the amount previously replaced. Replacement benefits will automatically be issued to SNAP households by means of an automated credit to their Electronic Benefits Transfer card.
- On September 14, 2011, to extend the time for reporting loss of food purchased with August 2011 SNAP benefits and to request replacement benefits through September 22, 2011, if the household submits a signed affidavit.

Status of USDA Foods:

- On September 1, 2011, the State received approval to provide 15,410 pounds of USDA Foods from State warehouses (Pennsylvania sent an additional 11,274 pounds of USDA Foods delivered on September 2, 2011) to the Community Food Bank of New Jersey where it is estimated 3,000 congregate meals will be served daily for the next 10 days to feed individuals sheltered in Northern New Jersey. The Food Bank will prepare the meals, which the American Red Cross and The Salvation Army will serve to the disaster survivors in shelters in the hardest hit areas of the State. Total amount of food is valued at \$27,631. As of September 9, 2011, the State was providing approximately 1,800 meals utilizing USDA Foods in affected areas in Northern New Jersey.
