EBT Systems Design and Development for Offline/Online Solutions

October 27, 2010
FNS 2010 EBT Users Group Meeting
Who Are We?

• CSC Covansys, formerly Covansys, is a wholly owned CSC entity, acquired by CSC in 2007.
• “CSC Covansys” and “CSC” may be used interchangeably.
• CSC is an industry leader in providing information systems solutions to state governments and private companies around the world.
• CSC has a long history with the WIC program, providing services such as design and implementation of new systems; transfer of existing WIC systems; and operational services since 1976.
• CSC has distinguished itself as one of the largest national providers of IT services to the public sector.
• CSC’s Web site is www.csc.com
WIC Corporate Qualifications

• WIC Banking
  – CSC currently provides banking services to 36 WIC, Farmers Market and Senior Farmers Market Programs
