## View/Edit National Warehouse Delivery Schedule

This page is used to capture and view the delivery dates negotiated between the National Warehouse and each SDA/Delivery Location. The page also shows location-specific non-delivery dates entered by the SDA--these dates will not be available when selecting a delivery date for an order. To add dates to the Non-Delivery Dates list, select from the criteria on the left and select **Add Dates**. To remove dates from the Non-Delivery Dates list, select one or more dates from the list and select **Remove**. To view another year of dates, select a new Year in the Delivery Schedule for Year or Non-Delivery Dates for Year dropdown list. Click **Back** to return to the delivery schedule selection page.
