Dear Friends at US Department of Agriculture,

I am writing to tell you that I support the proposal to change the WIC foods. I look forward to being able to provide fruits, vegetables and whole grain cereals for my family.

Additional Comments: yes I think that would be a great idea being fruits and veggies are so expensive to most families by having them on WIC that would be a great reason for kids to get fruits and veggies.

Thank you for reading my comments.

Dear Friends at US Department of Agriculture,

I am writing to tell you that I support the proposal to change the WIC foods. I look forward to being able to provide fruits, vegetables and whole grain cereals for my family.

Additional Comments: I think that having
wic to provide us with healthy
things for our children is goal
I would like for it to continue

Thank you for reading my comments.
