BRINGING THE FARM TO SCHOOL

Growing healthy children & communities

\$385,771,134

in school food dollars was invested in local communities in the 2011-2012 school year.

> That's a lot of lunch money!

40,328 schools

are buying local foods for the school cafeteria.

Money invested in agriculture has a positive economic impact on rural and urban communities.

We love local farmers!

56% of schools

say they will buy more local food in the future. Expect growth in these product categories in the future: plant-based proteins, herbs, meat or poultry, eggs,

and grains/flour.

Local foods span the school meal tray

Healthy habits take root

Beyond serving local foods at mealtime, schools are planting gardens, visiting farms and turning the cafeteria into a classroom.

FARM to SCHOOL

23,513,237 students

are learning to make lifelong healthy eating choices.

With farm to school programs, kids are more likely to eat their fruits and vegetables and try new, healthy foods.

> Local farmers make the grade, A+!
