

# Certification Tools – Demonstrations

**Josh Wiles, Senior Partner, NOVO DIA  
GROUP, Inc.**

**Presenting Versado**

**Roque Solis, President, SoliSYSTEMS Corp.  
Presenting Integrated Certification Utility  
(ICU)**

# Why Automate?

- The current retailer certification process is not sustainable in terms of time or money
- Workgroup of stakeholders meeting via phone every other Tuesday attempting to simplify the process
- Automated testing tools will prove to be a key component of that new certification process
