TO: All Regional Directors  
Supplemental Nutrition Assistance Program

This memorandum provides the fiscal year (FY) 2015 adjustment for inflation to the Supplemental Nutrition Assistance Program (SNAP) maximum allowable resources. Under the Food and Nutrition Act of 2008, resource limit adjustments are effective as of October 1, 2014.

The resource limit for households will increase for the 48 States and the District of Columbia, Guam, and the U.S. Virgin Islands from \$2,000 to \$2,250. The resource limit for households if at least one person is age 60 or older, or is disabled, will remain unchanged at \$3,250.

Regional Offices should ensure that their States are apprised of this change. State agencies with questions regarding these adjustments should contact their respective Regional Office representatives. Regional Office staff with questions should contact Mary Rose Conroy at [MaryRose.Conroy@fns.usda.gov](mailto:MaryRose.Conroy@fns.usda.gov).
