

Making Combined MIS/EBT System Rollouts Successful

Iowa WIC's MPSC and eWIC implementation

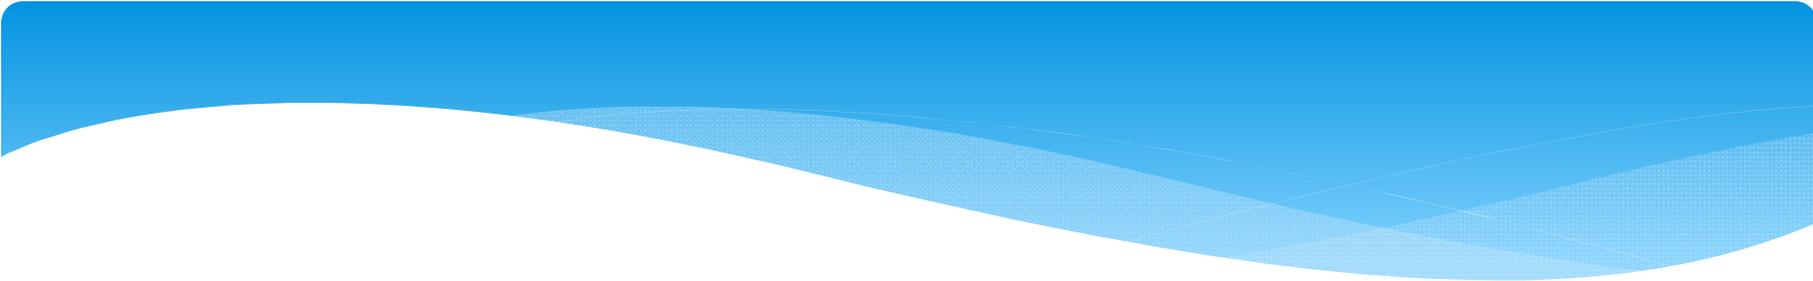

Our Story

- * 20 WIC agencies.
- * 489 WIC vendors.
- * 99 counties.

Managing Changes

- Establish a process for change.
- Plan for change.
 - Minimize change resistance.
 - Increase change acceptance.

Lessons Learned

1. Keep your project goals & objectives in front of you.
2. Plan for and manage change.
3. Communicate early & often with all stakeholders.
4. Changes in staffing can be challenging.
5. Testing is an ongoing process.
