Dear Friends at US Department of Agriculture,

I am writing to tell you what I think about the proposal to change WIC foods.

Thank you for adding fruits and veggies to the WIC checks! I will enjoy choosing fresh, healthier foods for my family.

What I like most about the proposed changes is the addition of whole wheat tortillas & bread.

What I like least about the proposed changes is fewer eggs & milk because we used the most.

Thank you for reading my comments.

Sincerely,

Jessica Lopez
